Directors : Dr J.B. Slabbert, Ps J.A. Roche, Ps P.B.A. Julius and Mr A.L. Campbell.

Between the two funding partners, we will cover all or most of your requirements.

PSG have organized a 'Marathon in the Garden' initiative and the finances they raise, which they believe will equate to the value of R200 000, will then be donated into our CFCI Welfare account and all proceeds will go directly towards the Con Amore Project. Our total combined contribution to Con Amore School would therefore be R400 000.

This is part of our planning going forward and we trust that the sponsorships will come through and be realized and as soon as the 'lockdown' period is over, we will continue with normal working operations.

We trust this meets with your understanding.

Kindly acknowledge receipt hereof and we will be in further contact in due course, thank you for helping us make a difference in the lives of the children.

Yours faithfully
